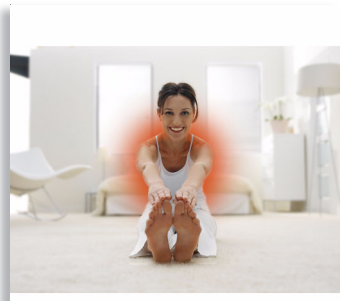
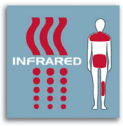
Philips
Infrared muscular pain relief



HP3631



Deep penetrating Infrared warmth

300 Watt Infrared halogen lamp

Adjustable angle

Digital timer to set personal treatment time

Effective pain relief

Deep penetrating infrared warmth

Philips InfraCare gives effective pain relief for muscles and joints. Its 300Watt infrared warmth is very comfortable and penetrates deep into skin, improving blood circulation thereby giving effective relief for "zone" areas of 40x30cm.

Effective pain relief
- Deep penetrating Infrared warmth

Zone treatment
- 300 Watt Infrared halogen lamp

Easy to use
- Adjustable angle

Treatment control
- Digital timer to set personal treatment time

sense and simplicity

Specifications

Technical Specifications
- Power: 300 W
- Voltage: 230 V
- Frequency: 50/60 Hz
- Lifetime of lamps: 500 hour(s)
- Battery: LR-54-Alkaline, 1,5 V (lifetime 200 actions)
- Cord length: 2 m
- Insulation: Class II (double isolation)

Dimensions and weight
- Product dimensions: 20x30.9x17.2 (WxHxD) cm
- Product weight: 1.4 kg
- F-Box dimensions: 28x38.6x24.5 (WxHxD) cm
- F-Box weight: 1.8 kg
- No. of F-boxes in A-box: 3 pcs
- A-box dimensions: 29x40.4x74.5 (WxHxD) cm
- A-Box weight: 5.4 kg
- Qnt. on Euro pallet: 60 pcs

Logistic data
- CTV-code: 884363101000
- Country of origin: Germany

Safety
- IEC certified: In line with IEC 60601 and 60335

Easy to use
- Adjustability: 0-40 degrees (backwards)
- Soft-touch handgrip: for easy transport and positioning
- On/off switch

Medical appliance
- Proven health benefits: supported by Medical Device Directive certificate

Effective pain relief
- Deep penetrating warmth
- Even warmth distribution: Now, up to 3 x more comfortable warmth

Zone treatment
- Treatment area: 40x30 cm
- Infrared halogen lamp: 300 W

Treatment control
- Digital timer: with auditive feedback

Product highlights

Deep penetrating Infrared warmth
Infrared light has been proven to effectively relieve aches and pains caused by muscular pains and stiff joints. The comfortable warmth created by infrared light penetrates deep into your skin, increasing blood circulation and warming your muscles. As your muscles are soothed, they automatically loosen up and relax. At the same time, the increased blood circulation helps your body get rid of impurities and quickly sends oxygen-rich blood to stressed or aching muscles, bringing effective pain relief.

300 Watt Infrared halogen lamp
The Philips InfraCare HP 3631 has been optimised for effective relief of pains in areas covering 40x30 cm, such as both shoulder and neck, the lower back, a thigh, an arm, and for relief of common colds. The InfraCare features innovative infrared halogen lamp technology. The special optics, filter and the powerful halogen lamp of 300 Watt have been optimised, enabling zone treatment (40x30cm), and a much more comfortable warmth, as the infrared warmth is more equally divided over the treatment area.

Adjustable angle
The appliance can easily be positioned up to 40 degrees backwards.

Digital timer to set personal treatment time
Treatment time can easily be controlled by setting the advised or preferred number of minutes. The digital timer automatically counts down and gives auditive feedback at the end of the session.
